July 2019,
Dear Supporting Friends,

Our Friend Days that you have been praying for are now in the history books. We had great success in four of the five services. Thank you!

After the Friend Day in UYaya that we reported on last month, we next held a service in Groutville. The young fledgling church met under three pop up canopy tents. The wind was so strong we thought the canopies might crumble.

In spite of the weather the attendance was over 40 people and a single adult and a school child accepted Christ as their Savior!

This couple was recently saved along with the lady's mother. Her sister and son (shown here) were saved on Friend Day.

The following Sunday, we held a Friend Day service in Inanda the newest church plant. We have mentioned how hard the spiritual soil is there right now. Our faithful family who lives in the area, were expecting many guests as all of them had worked hard inviting people to come. They even asked us to bring extra chairs! Sadly, only a handful of children attended the service. Please pray for the Shabalala family. It is easy to allow such days like this to really get you down.

On July 7, we had Friend Day in Amaotana. We had quite the contest for who would bring the most friends! A Junior High school aged girl brought 27 friends! Another young man brought 16 people to the services! Our attendance was close to 100.

Finally, on July 14, we had Friend Day at our church in Mayville. We were praying for a real victorious service because our national Pastor has become quite discouraged over the loss of some old standing members, who suddenly "saw the light" and have begun attending a Sabbath day church. (Brent reminded Themba that these people have always been "takers" much more than "givers" and although we hate to lose people, we honestly did not lose a lot of value.)

We lost count on Sunday of the final attendance but it was at least 185! Ten children and two teenagers came to confess Jesus Christ as their Lord and Savior!

Brent will remain in Durban until the 27th of August. Will and Dorothy Rogers, who have been called, to assist fellow missionaries, will be arriving on August 16. They will live in our house and oversee and assist our national pastors and their churches. We are very grateful for churches that support them and allow our ministry to be left in capable and experienced hands. They will be involved in the work here for seven months.

We appreciate your faithful commitment to our family and ministry.

Brent, Sheila and Landry

PRAYER REQUESTS

Pray for our daughter Karissa's health. She is still seeking a concrete diagnosis of her issues.

Pray for Sheila and Landry as they settle in Greenville, SC.

Pray for a bad spiritual contagion that seems to be spreading in the lives of a number of our young people in our churches. Unfortunately, it appears that further steps of church discipline may be required.

Pray for new converts saved during our Friend Days.

Pray for encouragement and strength for our national leaders and their families.

Pray for an upcoming Marriage seminar at our church. August 3.

Pray for Will and Dorothy Rogers and all that is involved in their coming here.

Pray for the Bob Graham family and their ministry as they too will be on furlough while we are.

OPEN SUNDAYS IN OUR CALENDAR FOR 2019 AND 2020 ARE STILL AVAILABLE.

We were also able to give to every visitor a brand new presentation of the gospel in booklet form. It is a tract that Brent was given permission to have translated. Three of our people translated and proofread the product and our son Micah did the layout. We are also thrilled to say that we were able to print 1000 of these booklets thanks to generous contributions from American Christians!

Today, July 23rd Brent said goodbye to Sheila and Landry as they are returning to South Carolina. Landry, will be beginning his 12th grade year of school. It was very hard for him to leave the many friends he has made here in South Africa.
